I Thomas J. O'Hara, certify that under my direct or indirect supervision, have inspected and prepared this report for the premises described, and that, except as indicated, the visible improvements as shown on the map portion of this report are completely within the boundary lines of the parcel and there are no visible encroachments of a permanent nature upon the described premises by improvements of adjacent parcels. This report is for the exclusive use and benefit of the parties indicated and is not intended for future use. This Mortgage Survey was prepared in accordance with Chapter 4733-38 of the administrative Code, is not a Boundary Survey 4733-37. If this report does not contain an original signature and seal, it is an unauthorized copy that is presumed to contain alterations. The certification on unauthorized copies shall be null and void.
